Memorandum

To: BEDC Board of Directors

From: Shawn A. Kirkpatrick, Executive Director

Subject: BEDC June 2015 update

Bastrop Business Park – Projects. Mr. Coghlan is moving forward with permitting and construction of his project. Good Soul Brewing’s plans are under development and Staff is in communication to review the project in the coming weeks. Project Blue Star has sent their comments to Staff and we are working through preparing the final Performance Agreement to present to the Board at the June Board meeting.

Bastrop Business Park - Infrastructure. After discussing the project in depth for the last month with Steve, Gary, Mike and Gene, Staff is preparing to present a recommendation to the Board to extend Technology to the Southern cul-de-sac. The project total would be $2.5-$2.6M, funded through $622K 2013 CO’s, $1M 2015 CO’s, and $1M BEDC cash.

Bastrop Business Park - Land Use. First draft has been reviewed and Staff is awaiting direction from the Board on the next phase of infrastructure to proceed with mark-ups and revisions. Once the Board provide final guidance on the next phase of infrastructure, Staff will work with the consultant to finalize the plan to present to Board at the July 2015 Board meeting.

Bastrop Area Housing Study. In order to support the increased inquiries related to multi-family housing, Staff ordered a Market Demand Analysis for Multi-family Housing. That component study is due to the BEDC July 10, 2015, to be incorporated into the RCLCO Housing Study. The component study provides a more in-depth analysis by an industry-leading expert in multi-family development and access to market data otherwise not available.

FY 2015-2016 Budget Preparation. The Board will have a brief budget workshop at the regular June meeting to discuss debt service, community funding, and projected revenues. The Board will need to set a special meeting/workshop to go in-depth into the expense portion of the FY 2015-2016 budget.

Board Training. It is recommended by Staff either at the special meeting/workshop related to the FY 2015-2016 budget or separate special meeting that Staff arrange training for the Board.
BEDC Office. Roof repair contract has been executed and the repairs will start sometime in late June or early July. This is part of a larger discussion the Board will have during regular session.

Project Management/CRM Database. Staff has completed the demo portion of evaluating the available commercial options. Opportunity Austin is reevaluating their provider and Staff preferred the OA vendor.

The Bastrop Economic Development Corporation (BEDC) met on Monday, May 18, 2015, at 6:30 p.m. in the BEDC Boardroom at 903 Main Street for the Regular Monthly Meeting.

Board members present were: Steve Mills, Gary Schiff, Pat Crawford, Carlos Liriano, Dr. Neil Gurwitz, Mayor Ken Kesselus, Willie DeLaRosa and Mike Talbot (ex-officio).

Staff members present: Shawn Kirkpatrick, Angela Ryan, Jean Riemenschneider, and JC Brown, BEDC Attorney.

ANNOUNCEMENTS

1. Call to Order – Steve Mills, Chair of the BEDC Board, called the meeting to order at 6:30 p.m.
2. Public Comments – None.
3. Presentations – None.
4. Announcements – None.

EXECUTIVE DIRECTOR’S INFORMATIONAL UPDATE REPORT - Items for update, discussion and possible action:

A. Update on BEDC Projects and/or Business
   1. Update on the Bastrop EDC Business Park.
      a) Project status update – Mr. Kirkpatrick reported that Mr. Coghlan has submitted his construction plans to the City for his expansion project and they are under review. Mr. Kirkpatrick spoke with Good Soul Brewing Company and their plans are still under development. Ms. Brown has the draft agreement with Project Blue Star.
      b) Update on master plan for the BEDC Business Park – Discussed under D4.
      c) Update on Land Use Study – Mr. Kirkpatrick said he reviewed the draft of the land use study with Tracy Bratton that morning and he expects to submit the final plan to the Board some time during the summer months.
   2. Bastrop Opera House – Mr. Kirkpatrick explained that the EDC was asked at the last Council meeting to take a look at the Bastrop Opera House and he, Mrs. Head, and Mr. Talbot will meet about it next week to determine the best course of action to help them address their roof issues.
   3. FY 2015/2016 Budget Preparation – Mr. Kirkpatrick explained he prefers to break down the budget by categories to make the numbers easier to work with. These categories include administration, operations, marketing & advertising, professional services, city projects and support, BEDC projects and grants, and debt service. Mr. Kirkpatrick asked that the Board members take a look at the budget preview and let him know if they want to make any changes.
   4. 2015 Bastrop Career and Job Fair – Mrs. Ryan reported that the event went really well, with about 1,000 high school students on Friday and over 300 adult jobseekers on Saturday. She said many attendees had commented that it should become an annual event. Mr. Kirkpatrick thanked everyone involved for the success of the event.
5. Update on BEDC office roof leak – Mr. Kirkpatrick said he had received one quote for the roof repair and was awaiting two more. He said he, Mr. Schiff and Mr. Mills would then choose the contractor and the work could begin.

6. Update on BEDC Board appointments – Mr. Kirkpatrick reported that the City Council had not made the BEDC Board appointments at their last meeting.

B. Update from the City of Bastrop

1. City Manager’s update
   a) Water development update – Mr. Talbot showed a PowerPoint presentation about the City of Bastrop’s request for a groundwater permit.
   b) Comprehensive Plan – No update.

2. City of Bastrop Update on Construction Projects – A list of projects in various stages of completion was included in the Board packets.

C. Update from Community Partners

1. Update from Bastrop Main Street Program – Kayli Head, the new program director, reported she had met with the Entrepreneurship Readiness Team and also attended an entrepreneurship class at Cedar Creek High School. The students did a comprehensive marketing plan and business strategy for Neighbor’s Kitchen and Yard. Mrs. Head said she is looking into partnering with Texas University marketing classes to start an online presence report card for businesses. She is also putting together an inventory of available buildings in the downtown area.

2. Paul Grabowski, Chairman of Vocational Services of the Bastrop Rotary Club – Mr. Grabowski thanked the BEDC for their assistance in establishing the Job Fair. He explained that the Rotary Club seeks to improve business relations, and had recently been told by several businesses they were having difficulty hiring qualified candidates and that there was a need for training courses. Mr. Grabowski said based on those requests, his committee took on the responsibility of working with the community to identify solutions, sponsor vocational training, and to improve career opportunities for students after graduation.

3. BISD – Bastrop ISD’s superintendent Steve Murray gave an update about the school district. He said their college readiness is higher than it has ever been. The early college high school program is in its first year and has been the most successful program of its kind in Central Texas, with over 90% of the freshman class currently taking college coursework, allowing them to earn up to 60 college credit hours and the opportunity to graduate high school with an associate degree. He said they have also discussed with ACC the possibility of offering vocational training for BISD students. Mr. Murray thanked the members of the task force who helped the automotive shop become NATEF certified. Les Hudson pointed out that 8th grade students now have a Personal Graduation Plan (PGP) that put them on a path for specific courses for certifications, including medical billing/coding and construction.

A. CONSENT AGENDA

A.1 Approval of meeting minutes of the Regular Board Meeting of April 20, 2015. Mrs. Crawford made the motion to approve the minutes as submitted, Mr. DeLaRosa seconded, and the motion passed.

B. PUBLIC HEARINGS
C. OLD BUSINESS

None

D. NEW BUSINESS

D.1 Consideration, discussion and possible action on acceptance of the Bastrop Economic Development Corporation’s financial summary report for period ending April 30, 2015. Mr. Kirkpatrick reported that at seven months through the current fiscal year, revenues are at 62.63% collected, or approximately $1.1 million. Expenses are at 47.15%, or $844,226. Mr. DeLaRosa made the motion to accept the financial report as submitted. Mr. Liriano seconded, and the motion passed.

D.2 Consideration, discussion and possible action regarding governance of the Bastrop Economic Development Corporation and the role of the Board of Directors, related to BEDC's 7th Amended Bylaws pertaining to the selection/election of the Officers of the Board of Directors, and approval of a process for development of agendas for the BEDC Board meetings. Mrs. Crawford explained that while the BEDC works in concert with the City Council, she feels it important to maintain an arms-length relationship and not be seen as an extension of the Council. Dr. Gurwitz said he agreed, that in the past they had heard complaints that the BEDC was too close to the City, and it is important to be viewed as two separate entities. After further discussion, Mrs. Crawford made a motion to amend the BEDC Bylaws to state that the Mayor may not serve as either Chair or Vice-Chair of the BEDC Board. Mr. Schiff seconded, and the motion passed, with Mayor Kesselus abstaining.

D.3 Consideration, discussion, and possible action regarding Education and Workforce Development in Bastrop, Texas, and role of the Bastrop Economic Development Corporation. Mr. Liriano requested this be added to the agenda with a brief presentation about the BEDC’s role in education and workforce development. Mr. Kirkpatrick’s presentation included information about how House Bill 5 has changed the structure of high school courses, how skilled labor is often the number one factor in the site selection process, and how the educational attainment in Bastrop County compares to other counties in Central Texas. Mr. Liriano commented that there are a number of groups working on education and workforce independently of one another, and he would like the BEDC to take a leadership role in bringing together the entities and parties needed to establish partnerships and move forward together, to help fill the gap between high school and business. It was the consensus of the Board that the BEDC would continue to develop their role in education and workforce development.

D.4 Consideration, discussion, and possible action regarding Bastrop Business Park development and infrastructure. Mr. Kirkpatrick showed the Board several different proposed layouts for extending the infrastructure in the Business Park. It was discussed as to whether or not the Board wished to finish out the Park completely, at a cost of approximately $6 million, or concentrate on the southern portion, at a lesser cost. Mr. Kirkpatrick explained that the project costs could be split between the remaining $622,000 in bond funds from the last infrastructure project, issuing additional bond debt, and fund balance. The Board discussed the importance of having shovel-ready sites. After a lengthy discussion, the Board consensus was for Mr. Kirkpatrick to gather additional information about the cost of each proposed phase and financing options.

E. EXECUTIVE SESSION –
E.1 At 8:52 p.m., Mr. Mills convened the Bastrop Economic Development Corporation Board of Directors into a closed/executive session pursuant to the Texas Government Code, Chapter 551, to discuss the following:

1. Section 551.071(1)(A) and Section 551.071(2) - Consultations with Attorney: (1) threatened and/or contemplated litigation, and (2) matters upon which the Attorney has a duty and/or responsibility to report to the governmental body.
2. Section 551.072 - Deliberation about real property: ‘Project Crystal Tupperware’, ‘Project Blue Star’, ‘Project Artic Sea’ and/or potential sales, acquisitions, exchanges, leases, dispositions or values of real property.

E.2 The Bastrop Economic Development Corporation Board of Directors reconvened from Executive Session at 8:59 p.m. There was no action taken. The Board members thanked Mrs. Crawford and Dr. Gurwitz for their years of service on the Board. Dr. Gurwitz said he had found an article from 1996 that talked about the City of Bastrop and EDC and sales tax revenues, and he said it reminded him just how far Bastrop has come in 20 years. Mr. DeLaRosa said that both Board members had played an important role in doing work through the BEDC for the betterment of the community. Mr. Liriano thanked them for helping to lay the foundation for what Bastrop is today.

F. BOARD INPUT ON FUTURE AGENDAS

Inviting input from the Board of Directors related to issues for possible inclusion on future agendas, related to (but not limited to) issues such as BEDC projects, property, economic development prospects, community events, and BEDC business.

G. ADJOURNMENT – Willie DeLaRosa made the motion to adjourn and Gary Schiff seconded. The BEDC Board of Directors adjourned the meeting at 9:10 p.m.

Summary of Revenues and Expenditures
As of May 31, 2015

- **REVENUE**: Sales Tax receipts represent 96% of the total budgeted revenue for the BEDC. As such, the line graph will be a good performance indicator as a comparison of sales tax receipts of the two previous fiscal years to the current fiscal year. Due to an audit adjustment that accrues our revenue into the period it was earned, the revenue earned in October and November is an estimate. Other revenue is included within the line graph to include Lease Agreement Income, Interest Income, and Miscellaneous Income.

- The spikes reflected on the graph in FY2014 are tied to specific transactions. These include the reimbursement of expenses from the Combination Tax and Revenue Certificates of Obligation, Series 2013 in February 2014 of $102,638; and the transfer from Bond Fund proceeds to cover debt service costs in May 2014 of $200,261. The spike in the graph in September 2013 reflects the sale of land for $93,475.

Line graph chart reflects monthly revenue incurred for three fiscal years. FY2013 includes October 1, 2012 thru September 30, 2013. FY2014 includes October 1, 2013 thru September 30, 2014. FY2015 reflects revenue received year-to-date for October 1, 2014 thru September 30, 2015. Data provided by City of Bastrop Finance Department records.
Sales Tax Revenue Chart
As of May 31, 2015

Sales Tax Receipts YTD reflect $1,296,407 and are greater than the prior year to date Sales Tax Receipts of $1,126,834.

* Date range in chart reflects current data of October 1, 2012 thru September 30, 2015. Data provided by City of Bastrop Finance Department records.

FY 2015 Budget

FY2015 Expenses – May

* Pie charts reflect FY2015 adopted budget and fiscal year-to-date expenses as of May 31, 2015. Data provided by City of Bastrop Finance Department records.
EXPENSES: The line graph makes a comparison of the current fiscal year expenses to the last two fiscal year on a monthly basis. The funds’ basic operations or fixed expenses should stay relatively flat or fixed on the line graph. The spike in May 2015 is due to the entry required for the donation of the Arena land to the City.

Memorandum

To: BEDC Board of Directors

From: Shawn A. Kirkpatrick, Executive Director

Subject: BEDC Board Officer Election

With the appointment of new Board members, the annual election of Board officers needs to occur for the upcoming year. With the exception of the Mayor, all other Board members are eligible to serve as Chair or Vice Chair. All Board members, including the Mayor, are eligible to serve as Secretary or Treasurer. Any two of the offices, with the exception of Chair, may be combined to form the offices of Vice Chair/Secretary, Vice Chair/Treasurer or Secretary/Treasurer.

It is not defined within the Bylaws how to conduct Officer Elections, so it is within the discretion of the Board to decide amongst its members the format and outcome of the annual Officer Elections.

Staff Recommendation

Staff provides no recommendation on the election of Board Officers, with the exclusion of the following:

Staff Recommends that Angela Ryan be appointed Assistant Secretary and Shawn Kirkpatrick be appointed Assistant Treasurer. These appointments are to assign designated Staff support to the Secretary and Treasurer or the combined office as the Board elects.
Consideration, discussion, and possible action on 2015/2016 BEDC regular meeting times and locations and 2015/2016 BEDC Board training, budget workshop(s) and special meeting(s).

A memo is attached with a brief explanation.

Memorandum

To: BEDC Board of Directors

From: Shawn A. Kirkpatrick, Executive Director

Subject: Meeting Times and Location

Board Training/Special Meeting
Budget Workshop/Special Meeting

Meeting Times and Location

The BEDC Bylaws state the Board shall meet for its regular meeting on the third Monday of each month within the corporate limits of the City of Bastrop.

Regular Meeting Dates

June 15, 2015
July 20, 2015
August 17, 2015
September 21, 2015
October 19, 2015
November 16, 2015
December 21, 2015
January 25, 2016 (Regular meeting date of January 18 is MLK Day, a City holiday)
February 15, 2016 (Presidents’ Day – federal and state holiday not City of Bastrop)
March 21, 2016
April 18, 2016
May 16, 2016
June 20, 2016

Staff is seeking direction from the Board on the preferred location and time of regularly scheduled meetings.

Board Training/Special Meeting

Staff recommends that the Board schedule an appropriate training for Board members. With the inclusion of three new Board members in recent months, a training geared toward Economic Development 101 in the State of Texas is recommended. This training will additionally serve as a refresher and update on legislative changes for the experienced Board members.
Staff has reached out to TEDC and a trainer would be available for a two to three hour ED 101 training and legislative update. Carlton Schwab, TEDC Executive Director, recommended Lorie Vincent, Team Texas Executive Director, as an alternative to him performing training.

At some later time, Staff would recommend additional training in the more advanced economic development topics the Board will be addressing in the coming years.

**Budget Workshop/Special Meeting**

Staff recommends the Board schedule a special meeting of the Board before the end of June to conduct a Budget Workshop.

Bastrop Business & Industrial
2015 Infrastructure Improvements
June 11, 2015

Memorandum

To: BEDC Board of Directors

From: Shawn A. Kirkpatrick, Executive Director

Subject: 2015/2016 Bastrop Business and Industrial Park Proposed Infrastructure

Staff has worked with Steve Mills, Gary Schiff, Mike Talbot, and BEFCO on the next phase of infrastructure in the Business and Industrial Park. It was determined that the best course of action was to proceed with the extension of Technology Drive to the South. Attached are the documentation pages outlining the proposed project.
OVERALL PHASE MASTER PLAN

Proposed Project Area
NARRATIVE

Improvements would include public infrastructure to open up development of a proposed 22.2 acre tract located north of the proposed extension of Technology Drive, a proposed 6.0 acre tract located south of the proposed extension of Technology Drive, and a portion of Phase 4.

Roadway improvements would include an approximate 1,150-foot linear extension of Technology Drive. Width of the roadway would be 40 feet from back of curb to back of curb, and the cul-de-sac would have a 40-foot radius. This roadway would be extended in the future to connect with the south end of Jackson Street.

Drainage improvements would include a 74-acre foot regional detention pond that would be located south of the proposed extension of Technology Drive and west of an existing pipeline easement. Pond storage would include 20 acre-feet of volume at normal pool, 45 acre-feet of detention volume, and 9 acre-feet of freeboard. Design of the pond would be based on the full development of Phases 2 and 3, all of Phase 4 south of the LCRA easement, and approximately 13 acres of Phase 4 north of the LCRA easement. In total, the detention pond would be based on the full development of approximately 122 acres.

Drainage improvements would also include the design of a storm sewer system in conjunction with the Technology Drive extension and a drainage channel. Size of the storm sewer would be based on the full development of the Phase 2 - 22.2 acre tract and all of Phase 3. Size of the drainage channel would be based on the full development of the Phase 2 - 6.0 acre tract, Phase 3, and Phase 4.

Water system improvements would include construction of approximately 1,300 linear feet of 12-inch waterline with fire hydrants that would serve all of Phase 2.

Sanitary sewer system improvements would include construction of approximately 1,200 linear feet of 8-inch sanitary sewer line, a lift station, and 750 linear feet of force main. Design of the lift station and force main would be based on the full development of Phases 2, 3, and 4. The sanitary sewer line would be constructed to serve all of Phase 2.

CONTRIBUAND: $300,500

**GRAND TOTAL:** $2,346,000

Notes:
1. Contour data based on Bastrop County LIDAR.
2. Proposed detention pond is based on the full development of Phases 3, 3, and 4 (122 acres). Size of pond is approximately 14 acre-feet which includes approximately 20 acre-feet of volume at normal pool, 40 acre-feet of detention volume, and 9 acre-feet of freeboard. Depth of pond is 10 feet. One-hundred-year water surface elevation and pond discharge elevation are approximately 266.00 and 269.00 respectively. Volume and depth may vary depending on final site design.
3. Property owners will be responsible for grading of lots to intended drainage structures.
4. Upon full development a total of approximately 154 acres would drain through the detention pond. This includes approximately 32 acres of public.

Memorandum

To: BEDC Board of Directors

From: Shawn A. Kirkpatrick, Executive Director

Subject: BEDC Offices

With the water damage to the BEDC offices, Staff has had numerous conversations with individual Board members to determine the best course of action moving forward. Staff in this memo will provide its recommendation and reasoning for the recommendation.

The first factor in the recommendation is the health and safety of the BEDC Staff. The mold and mildew caused by the water penetration is affecting Staff’s health and is a long term liability. The second factor is the functionality of the current office space and ability to conduct BEDC business. The current office configuration, close proximity and open to the public, does not allow the employees of the BEDC to function at their highest level. Third, the location on Main Street causes a disruption in the offices on a daily basis. The number of drop-in visitors, both local and tourists, who drop in for non-BEDC business disrupts the function of the office. Local residents drop-in to say “hi” or visit about the happenings in the community when frequenting downtown establishments. Door-to-door salesmen and fundraising are daily occurrences. Tourists stop in to obtain information about our community. The office is commonly mistaken as the visitor center or Chamber because of our close proximity.

Staff Recommendation:

1) Relocate the BEDC office for a period of 15 months, June/July 2015 through September 2016, to professional office space, with two 1 year option periods. This was determined to be the best course of action in order to put the BEDC in more professional and functional office space in the near term.

After evaluating the available office space within the City of Bastrop, it was determined that Staff would be split between multiple locations. Any other options involved disrupting City operations to the detriment of the City.

The cost and disruption related to a short-term (3 months or less) option proved to be insurmountable. “Move-in” ready space within the corporate limits of Bastrop was not available. The BEDC would have required a move of office equipment and/or rental and the related cost was disproportionate to the benefit.
2) Repair/Replace the BEDC office (903 Main St.) roof and any necessary repairs required to make the building marketable.

Kentex Roofing has been contracted to repair/replace the BEDC roof ($14,720). Kentex was contracted to repair the roof at the Chamber and the BEDC benefitted.

A determination will need to be made if any additional repairs will be required in order to make the building marketable. Staff will note the potential damage on a seller’s disclosure when completing recommendation #3. If at the time of completing #3, Staff determines that completing additional repairs would increase the potential net proceed from the disposition of the building, those repairs will be undertaken.

3) Obtain a market comparative analysis or commercial appraisal to determine the value of the BEDC office (903 Main St.) and preparation offering documents.

The fair market value of the building needs to be determined and the BEDC needs to determine the mechanisms for disposition. The BEDC, as a non-political subdivision, is not subject to the Local Government Code disposition of property. The BEDC options are more similar to that of an individual than that of a political subdivision.

4) During the 15 month relocation period, BEDC Board and Staff evaluate the available options and needs of the BEDC.

Staff will provide a plethora of options as the Board has a larger discussion of this topic. Staff’s perspective is the BEDC needs to focus more on the construction of an office that leads to job creation opportunities vs. constructing a single use facility solely for the BEDC’s benefit. The difficulty in locating suitable professional office space for the BEDC indicates a need within the community.
