Recommendation – Accept the financial summary report as submitted.

[RECOMMENDED MOTION] – I move to accept the July BEDC financial summary report as submitted.
Meeting Date: August 19, 2019

Agenda Item: Consideration, discussion and possible action to approve Resolution R-2019-0019 of the Bastrop Economic Development Corporation approving an agreement for provision of Main Street Program support between the City of Bastrop and the Bastrop Economic Development Corporation.

Prepared by: BEDC Staff

The EDC is legally required to have written contracts for services with vendors. The Main Street Program support which the EDC has funded for years is such a service and requires a written contract. This agreement spells out the expectations and funding provided to the Main Street Program for the next two fiscal years.

The Main Street Program has been a benefit to the EDC. They not only promote and market Bastrop, but they also provide services within the Main Street District that otherwise would be provided by the EDC. This agreement avoids a duplication of services and coordinates the community’s support for entrepreneurs and small business.

AGENDA MEMORANDUM

Meeting Date: August 19, 2019

Agenda Item: Consideration, discussion and possible action to approve Resolution R-2019-0020 authorizing the negotiation and execution of a structured lease for the EDC office located at 301 Hwy 71 W, Suite 214.

Prepared by: BEDC Staff

Since October 2017, the EDC has been paying $3,300 per month for our current office space. When the lease expired last year, the landlord (E&M Properties) agreed to allow us to lease month-to-month at the same price, because at that time there was a possibility that the EDC offices would be moved to occupy the upper floor of the 921 Main building being constructed.

Now that we have leased the entire 921 Main building to a tenant, E&M Properties have asked that the BEDC enter into a structured lease under one of the following two options. Option one is for the EDC to sign a three-year lease at $3,400 a month. Option two is to enter into a one-year lease with an option to extend by two or four years at the end of the lease term. In that case, next year’s lease would be $3,500 a month and the following two or four years would be $3,400.

Staff is requesting the attached resolution be approved to authorize the Board Chair, Treasurer, or Interim Executive Director to negotiate and execute a new lease with E&M Properties.

Agenda Item: Consideration, discussion and possible action regarding BEDC’s proposed budget for Fiscal Year 2019/2020, including but not limited to action to modify the proposed budget and/or to adopt the Fiscal Year 2019/2020 budget, as proposed or modified.

Prepared by: BEDC Staff

The final draft of the EDC’s FY 2019-2020 was included in the Board’s Dropbox account. As requested by the BEDC Board Chair, only the pages that have been updated have been included in the packet. The amounts that have been changed are highlighted in yellow.

- The revenue page and memo have been updated to reflect the Finance Department’s new projections in sales tax revenues.
- An adjustment in salaries and benefits was made by the Human Resources department.
- The amount budgeted for the EDC office lease is TBD.
- The expenses for the triple net (NNN) on 921 Main Street have been placed into a new line item, 70-00-5548.
- The cost of maintenance on the building has been decreased.
- The amount under “Professional Services” was decreased because the cost of hiring a project manager for 921 Main Street is now known ($40,000).
- The City’s request for an increase in Admin Support has not yet been approved. Therefore, $18,000 is currently budgeted.
- There was a request to include the amount of the reserve for the 2018 bond as well as the amount left over from the 2013 bond. Those amounts are included on the Debt Service page.

The budget will need to be approved by the EDC Board at the August 19th Board meeting in order to be adopted as part of the City of Bastrop’s budget in September.

Recommendation – Review the budget as submitted, make any recommendations as to changes needed, and vote to approve the final 2019-2020 BEDC budget, as proposed or modified.

[RECOMMENDED MOTION] I move to approve the FY 2019-2020 budget as presented (or as modified).

**Total Revenue** $3,758,241 $3,228,020 $2,719,873 $4,213,800 $2,890,300

**Notes:**

1. Forecasted sales tax revenues for FY 2020-2021 have been increased.
REVENUE

The EDC has been informed that the City is expecting a slight increase in sales and use tax revenues for FY 2019/2020, to $2,560,000. Total FY 2019/2020 revenues are estimated at $4,213,800, which includes the receipt of $1.42M in funds for the 921 Main Street Project. Although the loan will be approved during the current fiscal year, the proceeds from the loan will not be drawn upon until the EDC expends the $377,072 down payment.

Sales Tax 601-00-00-4005

The EDC’s primary revenue source is the collection of a one-half (1/2) cent sales and use tax within the corporate limits of the City of Bastrop. The City of Bastrop’s Finance Director provides the EDC with a budgetary estimate for each fiscal year. EDC staff tracks sales tax collections closely throughout the year and performs analysis of the market, trends, economy and local sales tax drivers.

Lease Agreement (Cell Tower) 601-00-00-4047

The EDC has a five-year renewable lease on a cell tower site in the Bastrop Business and Industrial Park. The five-year lease is paid in a lump sum every five years with a built-in escalator. The current five-year lease rate is $69,000, accrued at $13,800 annually, and expires in September 2020. If the lease is renewed at that time, the amount will be $79,350, or $15,870 annually.

Rental Income (921 Main Street) 601-00-00-4524

The building is expected to be completed by June 2020. At $22 per square foot for the remaining three months of FY 2019-2020, rental income would equal $49,000. However, at this time it is unknown what the exact square footage will be at full build-out, and the number being used for NNN is only an estimate. Therefore, in consultation with the Board Treasurer, it was decided to estimate rental income for FY 2019-2020 conservatively at $40,000, and forecast $161,500 for FY 2020-2021. (BEDC’s NNN expenses are included under a new line item for 921 Main expenses.)

Interest Income 601-00-00-4400

Idle EDC funds and reserves are invested according to the EDC and City of Bastrop investment policies and earn a nominal annual interest rate with TexPool and Texas CLASS.
**2018 Bond Proceeds** 601-00-00-4810

This is the line item where the 2018 bond issuance was received.

**Real Estate Proceeds** 601-00-00-4512

After closing on the lot that Bastrop County plans to purchase in the Park (which is expected to occur in FY 2019-2020 after completion of the detention pond), $100,000 will be received into this account.

**EDC Grant Receipts** 601-00-00-4558

This line item was created to receive the grant funding from CAMPO and Keep Bastrop County Beautiful for the Downtown Trail Project. However, it was later determined that since the City of Bastrop will administer the grant funds, the grants should have been received into their accounts. Therefore, there are no funds budgeted for this line item for FY 2019-2020.

**Loan for 921 Main Street Project** 601-00-00-xxxx

This cost code will be set up by the Finance Department to receive the funds from the loan for the 921 Main Street Project. Although the loan will be approved during the current fiscal year, the loan proceeds will not be drawn upon until the EDC expends the $377,072 down payment, which is expected to occur during the 2019-2020 fiscal year.

1. Budgeting for 921 Main Street Project Manager in Professional Services.
2. Budgeting $10,000 this year for separate audit report.
3. New cost code for 921 Main Street expenses: Property insurance, building maintenance and mgt

*5505 Budget transfer - FY started at $99,500
*5526 Budget transfer - FY started at $12,000
*5561 Budget transfer - FY started at $0 (This was how Shane Sorenson was paid while with the EDC)
The EDC contracts for various services with professionals and firms for specific projects and tasks, such as the strategic plan, engineering not related to a specific project, and website services.

**Professional Services 601-70-00-5505**

Professional services provided by various professionals and firms. This is the line item where the cost of hiring a Project Manager for the 921 Main Street Project has been included. It is also anticipated some professional services fees originally expected during the current budget year will need to be paid from FY 2019-2020.

**Audit 601-70-00-5518**

The EDC’s audit is typically done as part of the City’s. This year, the EDC is budgeting for a report separate from the City’s, so there will be an extra cost associated with that. We are budgeting $10,000.

**Legal (Administrative) 601-70-00-5525**

Recurring legal expenses.

**Legal (Project) 601-70-00-5526**

Project-related legal expenses.

**Engineering 601-70-00-5530**

Non-project engineering services.

**Contractual Services 601-70-00-5561**

There are currently no plans to use this cost code for next fiscal year.

CITY PROJECTS/SERVICES

The EDC contracts annually for services from the City of Bastrop.

City Projects & Programs 601-70-00-5574

BACKGROUND INFO: As the EDC prepared the FY 2018 budget, it was noted that the cost to maintain the community entry monuments and Hwy 71 right-of-way was not an authorized use of EDC funds. To correct this situation, the EDC agreed to fund $83,250 towards an eligible project in FY 2018, with an agreed reduction of 20% in subsequent budget years. This arrangement allows the City to absorb the reduction in revenue with an eligible project offset.

FY 2018 - $83,250
FY 2019 - $66,600
FY 2020 - $49,950
FY 2021 – $33,300
FY 2022 - $16,650

City of Bastrop Shared Services 601-70-00-5575; Administrative Services 601-70-00-5598

The City of Bastrop provides administrative and shared services to the EDC. Administrative Services include the finance, human resources, and information technology (IT) departments. Shared Services include recurring and contractual services which the EDC utilizes and receives benefit from, such as maintenance of software shared with the City. For FY 2019-2020, the EDC has been asked to maintain $7,500 for Shared Services and to increase Administrative Services to $78,000 to offset the amount of time that City employees are spending on BEDC projects, such as the Downtown Trail Project. However, an agreement has not been reached yet, and therefore $18,000 has been budgeted.

Main Street Program Support 601-70-00-5596

The Bastrop Main Street Program in an invaluable partner in supporting the merchants and development of our historic downtown by providing business retention and expansion, marketing, recruiting, and small business development within the Main Street area. For FY 2019/2020, the EDC is continuing its commitment of $50,000 to the Main Street Program, with the Board’s approval of a new agreement, as the current one expires in September 2019.
